AL WASEEM

TRANSLATION & SERVICES CENTER

"Translation for Better Communication"

About Our Company

Al Waseem Translation & Services Center has seven years of experience in the field of translation. We cover the field of translation comprehensively and offer translation services in areas of medicine, finances, technologies, law, telecommunications, politics, GCC, marketing, tourism documents and many others. Our geographical reach is quite extensive as well. Thanks to our offices in Qatar, Nepal, and the USA, and reliable cooperation partners all over the world, we are able to offer a very wide range of language combinations. We are proud to say that we translate into more than 150 languages in various combinations.

Our work ethics and apparatus are especially geared towards providing quality translation at a rapid speed. Acting upon our core belief in quality as well as quantity, we've collaboration with over 300 translators who translate only into their native languages. We have great experience in the Gulf States, Asian States and East European states, which makes us especially well-equipped for Arabic, English, Mandarin Chinese, Russian, Spanish, German, French and Hindi languages. Our translators are specialists in the subjects relevant to their translation and specialize as engineers, doctors, IT specialists, lawyers, economists, accountants, marketing specialists, linguists and as representatives of many other professions.

Vision

To be a standard-bearer, mark of quality, brand of excellence and identity of professionalism and expertise in the fields of translation, localization, interpretation, copy-writing, copy-editing and proofreading. Standing true to the reputation of an experienced player in the industry, our experts translate millions of words every year for governmental and non-governmental institutions and organizations across the world.

Mission

Quality, punctuality and budget-friendliness are our motto. We hold ensuring quality in all language-related services as our basic belief, accomplish and deliver all assignments in time and offer our services at highly competitive rate. We're highly updated in terms of technology in pursuit of the best possible standards of service to our clients.
